

A conceptual image of a road leading to success. The road is paved and has the word 'SUCCESS' written in large, white, capital letters on the asphalt. A white arrow is painted on the road, pointing straight ahead towards the horizon. The background shows a bright, hazy sky and green grass on either side of the road.

# Schedule Change Process

- Teachers may NOT be selected
- No classes will be changed after the 5th day of a new semester other than a student dropping a class for a study hall (provided the student does not already have a study hall)
- Dropping any class after the first four weeks will result in “WF” for that semester in the course.

# Schedule Change Process continued .

- Changing from a PreAP/AP class will only be considered at the end of the first five weeks, first nine weeks, and at semester only. **Space must be available.**
- Students enrolled in a full year elective course will remain in that course for the full year unless semester grade is below a C and parent approves schedule change.
